Fair Field Notes

Basic SHAPES

Basic shapes I found:

Write or draw the spins you see!

What else is spinning
at the fair?

The Ferris
Wheel spins
like this:

You can find circles ●, triangles ▲ and squares ■
lots of places! Think of all the shapes you can find in
barn or on a quilt. Where can you find basic shapes?

Write or draw what you see!

Strange SHAPES

Basic shapes are easy to name, but some shapes aren't so familiar. Look at this strange shape: What would you call this shape?
